against the background of long standing narratives in which twelver shi ism is viewed as fundamentally authoritarian the school of hillah and the formation of twelver shi i
islamic tradition builds upon recent scholarship in the fields of religious studies

anthropology and history to argue that twelver shi ism is better understood as a discursive tradition at a conceptual level this solves the basic problem of how to integrate the extraordinary diversity of twelver shi ism across time and space into a single historical category without engaging in a normative assessment of its underlying essence furthermore in light of this conception of tradition the school of hillah stands out as a seminal period in the archive of twelver shi ism though it has seldom been recognized as such in european language scholarship insofar as it gave birth to a conversation that would prove capable of encompassing the dynamism of twelver shi ism the school of hillah should be considered the formative period of twelver shi i tradition moreover when the tradition is conceptualized in this manner it is a bulwark against the very authoritarianism by which twelver shi ism has been characterized for so long

islam memory and morality in yemen tells a story of a yemeni hereditary elite which was overthrown in the 1962 revolution in north yemen for over a millennium they had enjoyed exclusive rights to the leadership of the imamate the religiously sanctioned state following the violent removal from power of king faysal of iraq in 1958 the overthrow of the yemeni imamate the longest lasting hashimite rule in the middle east confirmed the decline of hashimite power held by ruling generations claiming descent from the prophet muhammad however rather than concentrating on recent political history islam memory and morality in yemen highlights the personal predicament of those targeted by the revolution in which they served as the foil for the new regime s moral and political ascendancy focusing on the cultural politics of memory the book explores how members of the elite remember in the process of making sense of their current lives and formulating responses to adversity

this book discusses the historical development of the legal methodology for the interpretation of the shari ah and analyzes proposed reforms by modern muslim scholars this study has two goals 1 to summarize usul al fiqh s rise and development from its rudimentary form to its advanced and mature phase by articulating the contributions of eminent jurists on key intellectual debates and 2 to present a schema of reforms new hermeneutics and epistemology proposed by modernists to bring about foundational changes in islamic legal methodology so that they can bypass the authority of the legal language the critical distinction between the timeless shari ah and mutable jurisprudence allows for a mechanism that can review and revise juridical opinions in the light of new information

human rights and reformist islam critiques traditional islamic approaches to the question of compatibility between human rights and islam and argues instead for their reconciliation from the perspective of a reformist islam the book focuses on six controversial case studies religious discrimination gender discrimination slavery freedom of religion punishment of apostasy and arbitrary or harsh punishments

explaining the strengths of structural ijtihad mohsen kadivar s draws on the rational classification of islamic teachings as temporal or permanent on the one hand and four criteria of being islamic on the other reasonableness justice morality and efficiency he rejects all of the problematic verses and hadith according to these criteria the result is a powerful solutions based argument based on reformist islam providing a scholarly bridge between modernity and islamic tradition in relation to human rights
